MULTI WAVE 200AC/DC

Digital Tig AC/DC for single phase 230V ac applications.

It is light and easy to use for any applications, and helps also the unskilled welders to reach exceptional results with a self learning user interface. All the innovations of the Multi wave family are built in this portable machine with the result of higher thickness of welding material at faster speed also with single phase power supply.

The functions of softness and self regulating frequency give the softer arc with the lower noise emission. The new function Asymmetrical Balance Control and Mix Arc allows the use with light Tig torches and lower tungsten electrode size also with high current and heavy applications.

MULTI WAVE 200 AC/DC

Code V0096AA

TECHNICAL DATA

Single Phase	Fuse	ED MMA	ED TIG	P ₁ Input Power	U ₀ Max no load voltage	IP Protection Class	Dimension	Weight
230 ± 15%	25T	200A 40%	200A 40%	5,4 KWA	100V	21S	310 x 430 x 550	18

OPTIONAL / ACCESSORIES

CODE	CLAMP/HOLDER DESCRIPTION
Z0254AA	ELECTRODE HOLDER CABLE 35MMQ 4M
Z0249AA	EARTH CLAMP CABLE 35MMQ 3,5M

CODE	TIG TORCH DESCRIPTION
